

The Christ Life Solution is a 3 phase small group program designed to help you begin to renew your mind and embrace the life change that God has planned for you.

Phase 1 – Egypt...*While We Were Slaves* – deals with our past. The first phase focuses on who we have become because of “life”. It exposes the lies we have come to believe and shows us who God created us to be. We often have become slaves to ourselves, even though Christ has freed us; we have a hard time shedding the “slave” mentality as the Israelites did. Phase 1 is eye opening, as well as healing, and teaches us to love others on a whole new level.
(Lasts 13 weeks.)

Phase 2 – The Desert...*It is Finished* - Even if we have grown up in the church, we often have a limited understanding of the heart of God, how 100% trustworthy the Blood Covenant relationship is, and how the Holy Spirit is working here on earth. He took care of it all when he said “It Is Finished”. Phase 2 looks deeply into scripture to help us identify when we are living our lives in the flesh, and how we can begin to live our lives in the Spirit. (Lasts 13 weeks)

Phase 3 – The Promised Land...*Transformed by Renewing the Mind* - Phase 3 is 26 weeks of using practical tools that help us take the power of God beyond the head knowledge stage, to the reality of our everyday lives with Him. Replacing lies with truth. The true Romans 12:2 model – renewing of our minds to experience changed lives.

Several times a year, an hour-long Orientation is held for people wanting to know more about this ministry. Keep an eye on this page for the next Orientation date(s) – or contact Amy at the church office to express interest!
